

Mary Martha Guild

The name of our Guild was chosen in recognition of the sisters of Lazarus as we read of them in the Gospels of Luke and John.

Following the example of Mary, we begin our monthly meetings with a time of spiritual reflection and prayer. Then, as Martha, we focus on practical ways of ensuring a safe and functional kitchen, contributing to general funding through the Management Committee, and providing catering as well as support to Camp Geddie and the activities of other Iona committees as we are able.

We also organize and facilitate Wednesday Morning Coffee Break, an informal social gathering to which all in the Iona and surrounding community are invited.
