For June we are Acknowledging the work of Healing & Reconciliation with the original Peoples of Canada

We begin by acknowledging the Territory: For thousands of years, the original peoples of Canada have walked on this land; their relationship with the land is at the centre of their lives and spirituality.

As we are gathered for worship & fellowship we acknowledge the traditional territory of the Haudenosaunee, the Anishnaabe and all original people of Canada for their stewardship of this land throughout the ages. We recognize our neighbours from Oneida of the Thames, Chippewa of the Thames and Munsee Delaware First Nations as full members of Canadian society and work towards friendship and understanding.

We hope together to end racial discrimination, social injustices and crimes of hate towards our neighbours and friends.
