

NC-St. A's & Knox eNews Vol.3.4

Siblings in Christ! Happy and safe summer to you all!

Excitement is brewing for Kintail On the Road VBS this August and the Annual Pork & Corn Roast at North Caradoc-St. Andrew's! We thank, in advance, all the volunteers who will make these two fun times a great success! Please pray for the children, volunteers & Kintail Staff who are preparing to join our VBS fun! and for all the workers who are preparing for the Pork & Corn Roast event!

Our mid-summer eNews gives you updates on important information and reminders of summer worship & events. Most every picture will link you to pages with information on our websites.

Please check websites for any information not included in the summer eNews or call your elder.

Look in late August for a new eNews to highlight early Fall events like the Gospel Music Afternoon at Knox in late October.

Enjoy God's glorious wonders this summer and greet others in and with God's generous hospitality! Peace my friends, peace!

Supporting our faith family friends:

Friends,

As loving and caring people we always want to reach out in support when part of our family is suffering. As the Corey family continues to be at Grant's beside many have asked, "how we can be supportive, how can we help?" Anne Marie, Erin, Skye, Dana and the extended family continue to

covet your prayers; prayer IS our best support!
Continually pray healing for Grant as well as
patience, strength, and energy for the family as
they continue to cheer on the healing!

As loving and caring people we like to support
families with meals because truly who wants to
cook after a long day at the hospital? To that end,
we will begin to provide one meal a week (enough
that could be used for one more meal throughout
the week.) The Corey family has asked it be
delivered on Tuesdays. Our meal organizer will be
Betty Walker, if you wish to help by providing a
meal please contact Betty (519-245- 5361)for
more information and to get on the schedule. For
the many who have already given food and time to
the family, we thank-you!

"So speak encouraging words to one another. Build up hope so you'll
all be together in this, no one left out, no one left behind. I know
you're already doing this; just keep on doing it." (MSG|1 Thes.5:11)

An Update!

On June 23rd the Knox Komoka congregation voted to request that Presbytery amalgamate Knox with North Caradoc-St. Andrew's.

An Amalgamation planning team comprised of session members from both congregations will meet with Presbytery representatives to prepare, to present to Presbytery as soon as possible, an amalgamation plan. Before it is presented to Presbytery, it will be presented to both congregations at duly called congregational meetings (to be announced.) Presbytery will meet in September and will hopefully answer Knox's request positively. In October a Presbytery committee will review the amalgamation plan and in November approve the plan to move forward.

It would be my hope to have all work wrapped up this fall and begin as one worshipping community to celebrate Advent.

Friends, your continued patience and prayers are required for this process. Please support our Knox friends as they grieve the loss of their building and worshipping community in Komoka. I and the sessions will continue to endeavour to keep you informed.

Deep peace, Rev. Shelly
