

CHRISTMAS CELEBRATION

The greatest day in history
It was the birth of Jesus Christ,
Peace on earth and goodwill for thee
Jesus – Saviour, also theist

Jesus, image of unseen God
He came to earth to be with man,
To show the way that He had trod
As humans we're all in God's plan

We then shall truly celebrate
True meaning of life, shout it out,
Grateful for Christ's birth, plan so great
God helping us, without a doubt

The best thing in the world is love
A wonderful change that would be,
Father God in heaven above
Eternal Spirit does agree

Fill us all with Thy love we plea
The great I am with us always,
Even to the end when we flee
Surrounded by fragrant bouquets
