

MERRY CHRISTMAS 'The Christ of Christmas'

Baby Jesus in a manger
Rustling in the hay,
Came to earth to bring great joy
Born on Christmas day

Mary cuddles baby Jesus
Joseph views the sight,
Stars shine bright up in the sky
Angels chant delight

Lo wisemen journey from the east
Guided by a star,
Bearing gifts to the Christ child
Coming from afar

As we celebrate Christ's birthday
Sharing gifts and love,
For the greatest gift of all
Thanks to God above

'The Merriment of Christmas'

O see the children swift to bed
Scampers little feet,
Santa Claus will soon appear
And his reindeer fleet

Watch bright faces on Christmas morn
Presents on display,
Toys and dolls and many things
Fun and games and play

Carol singing, church bells ringing
Decorations glow,
Snow flakes falling, Jack Frost calls
Spirit's all aglow

Christmas is a time of gladness
Fellowship for all,
Serenading, frolic, fun
As we visit, call
