

Called to Wonder

CREATED BY ERIN WALTON

If February had a nickname, it might be "shorty" or "tiny" because it's the shortest month of the year. But it is action packed!

Some things you might see on a February calendar are **Groundhog Day, Valentines Day, Family Day** and **Ash Wednesday**.

Some things you might not see on the calendar but also occur in February are **Black History Month, Chinese New Year, Mardi Gras** and **Superbowl Sunday**

"Celebrating our past, living out our faith today, looking forward to our future."

Jesus Christ is the same yesterday, today and forever.

Hebrews 13:8

In the Presbyterian community, there are several very special dates on our 2010 calendar:

- February 7 **PWS&D Sunday**
- February 14 **Transfiguration Sunday**
- February 17 **Ash Wednesday**
- February 21 **1st Sunday in Lent and Heritage Sunday***
- February 28 **2nd Sunday in Lent**

***Heritage Sunday:** At the 135th General Assembly, the Committee on History proposed that the Presbyterian Church in Canada seek to celebrate the Presbyterian heritage that exists within its congregations. The assembly approved the motion and designated the third Sunday in February (February 21 in 2010) Heritage Sunday.
