Sunday School Update

The Sunday School is pleased to be hosting Emily Benson Sunday, February 14th. Emily travelled to Nigeria to take part in a polio immunization campaign, partially sponsored by the children of our congregation (remember the little cut out people in the hall). She will be staying for lunch and to present to the rest of the congregation that day as well.

BRIDGES TO HOPE

A big thank you from Bridges To Hope for all your continued support during the Christmas season. The community has been most generous and our shelves are looking much better supplied. In the coming weeks we would ask for juice, crackers, instant coffee and cookies as there is little of this on the shelves.

Chad (our chef) is most grateful that thru Yasmin's diligent stamp collecting, his supply of good knives has been replaced with better quality.

The **Atlantic Mission Society** of St. Andrew's Presbyterian Church is currently seeking submissions and ideas for the disbursement of the available funds from the Lorna Robertson Bequest which is used to support mission work outside

Canada. All members of the congregation and groups within the congregation are encouraged to make suggestions for the disbursement of funds. Please submit your suggestions in writing to the Church office at St. Andrew's by Friday, **February 5th, 2016**, to the attention of AMS.

CHOSN (Churches Helping Our Syrian Neighbours) Update: We are pleased to say that our application has been approved, and our family of 4 will be arriving in the coming weeks. The schedule is a bit uncertain, but it could be soon! We have support groups in place for their various needs, and are keen to help them transition to a healthier, safer life in Canada. We have set an annual fundraising target of \$30,000 for the CHOSN project, which will allow us to help multiple families over time, while keeping a core refugee mission fund in place. Members of St. Andrew's (and St. David's) congregations can make donations to the CHOSN fund through regular church envelopes (noted appropriately) or through the church office directly. These donations will be blended into a dedicated project account for the family support. We very much look forward to seeing this mission project move forward, with the enthusiastic support of the project volunteers and the local Presbyterian community.
