**The Leprosy Mission Canada: Now Effect:
Hope**, who work with those suffering from
Leprosy have information pamphlets on their
work available in the vestibule. This historic
Mission dates back to 1869, beginning by
offering care to those suffering, later being
involved in searching for medical treatments.

Church and the Environment: The St. John's
and Area Council of Churches have taken note
that concern for the environment is
fundamentally rooted in the creation story, as
Adam and Eve are tasked with caring for the
garden of creation - that is the world. The
Council has often brought denominations
together to issue joint statements concerning
poverty, mental health, and Christian unity.
This year the Council issued a joint letter
stating our Christian concern for the
environment. The full text has been placed on
the bulletin board in the church and hall.

Sunday School Mission Project: The Sunday
School will be hosting a Hunger Banquet on

Sunday, **June 2**, following the service. A Hunger
Banquet is a concrete way to illustrate the
disparity in Food Security around the world. In
keeping with our mission theme "Sowing the
Seeds of Food Security", we would like to invite
the congregation to join us on June 2 for this
'Lunch and Learn' session. A free will offering
will be collected at the door, with all proceeds
going to the Sunday School Mission Project,
supporting farmers in Malawi and South Africa. If
you would like more information prior to the
event, please contact Jenny Pallard via email at
jennpallard@gmail.com Thank you for your
continued support!

Financial Drive: Thank you to those who
supported our Financial Drive this year. A special
thanks to our drivers who help keep people
connected to our church.

AMS Presbyterial: 4:30 Tuesday June 4th the
AMS Presbyterial meeting will take place at St.

feel free to join us as we learn more about this
outreach network within our city.

Needed: Cub Scouts, Scouts or Rovers. I have 4
Kubkar kits for the track we used for our dinner
and a movie night. Dinky cars don't run on the
track. Please call Vivian Pallard (743-9138) if you
have the skills to turn the block of wood into a

beautiful car.

It's time to think "garden"! As those of you who've navigated my walker are aware - I'm going to need help to get the beds ready and, later in June, to fill them up again. If you can help dig up beds and/or plant the new flowers later, please call Vivian (743-9138). Work dates will be announced as soon as we can actually dig.

The Philharmonic Choir of the NSO, Stephen Candow, conductor, presents "A Feast of Faure", featuring 'Requiem' and other works for choir on Sunday, June 9, 2019 at 7:30 PM at the DF Cook Recital Hall, MUN, accompanied by Dr. Phil Roberts and a string ensemble. Soloists are Calvin Powell, Baritone, Noelle Slaney, Soprano and Adam Wicks, Tenor. Special guest is Chorale La Rose des Vents, Claire Wilkshire, Cheffe de Choeur. Bulletin Bloopers - Oops!!

Due to the Rector's illness, Wednesday's healing services will be discontinued until further notice.

Bertha Belch, a missionary from Africa, will be speaking tonight at Calvary Methodist. Come hear Bertha Belch all the way from Africa.

On a church bulletin during the minister's illness: GOD IS GOOD; Dr. Hargreaves is better.

We are grateful for the help of those who cleaned up the grounds around the church building and the rector.

Barbara remains in the hospital and needs blood donors for more transfusions. She is also having trouble sleeping and requests tapes of Pastor Nelson's sermons.

During the absence of our pastor, we enjoyed the rare privilege of hearing a good sermon when J.F. Stubbs supplied our pulpit.

Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days.

Please place your donation in the envelope along with the deceased person(s) you want remembered.

Helpers are needed! Please sign up on the information sheet.
