

A Time Called ... LENT

Some of us grew up thinking that Lent was a time to keep personal enjoyment in check and to focus on personal guilt. That emphasis was to ensure we appreciated what Jesus suffered and accomplished in Holy Week. But Lent can also reveal the great blessings of being a Christian.

Historical Roots of Lent

In the early church, Lent was a time of training and preparation for baptismal candidates at Easter. By the fourth century, it developed into a 40- day period, following the biblical pattern of 40 days or 40 years of preparation and anticipation. In its early form, elements of penitence were included. Lent, in our tradition, is a time to re-examine and re-affirm our identity as people baptized into Christ's body, the church.

Finding Meaning in the Tradition

Our baptism is a symbolic dying and rising with Christ. In Lent, we turn with Christ towards these events in his life. Along the way the Spirit gives the opportunity for us to redirect and refocus our lives, and more fully realize our baptismal identity. We recall where we are going and what it cost God for us to become resurrection people. We become open to the possibilities of new beginnings all around us. The season of Lent points us to Easter.

Questions for Personal Meditation

Is there something in my life that needs to die so that I can move toward a new life with Christ?

What are the important ingredients in my Lenten journey? If I am not baptized, might this become preparation for a step of faith?

Sunday School:

We are having bi-weekly Sunday School running in 2024:

March 17, & 31; April 14, & 28; May 12, & 26; June 9, & 23.

We have split the group: Grade 5 and under, and Grade 6 and up, to create a more engaging experience for our older children.

We are looking for more Sunday School teachers, helpers, or back-ups to join the team. If interested, please contact Cathrine (gcejtaylor@gmail.com), Nicolene (nclemens7@yahoo.ca) or Johnson (srikanthjohnson@gmail.com).

We can't wait to share and grow with the children this year.

Peace and Joy, Cathrine, Nicolene, & Johnson

Mission Moment – Sunday 17th March 2024:

For hundreds of years, roads have been providing important networks of connection and community. Not only in a physical sense, but by creating equal access to vital places like schools, churches and hospitals, and fostering a sense of community. With support from Presbyterians Sharing, the Life and Mission Agency and the Band Council on Mistawasis Plains Cree Reserve in Northern Saskatchewan are working together to create a road system through the reserve that will connect Mistawasis Memorial Presbyterian Church with the rest of the community. In turn, it will open up the possibilities of new ministry opportunities by bringing together the community and creating a sense of hope and connectedness.
