

February 2, 2023

Greetings to All!

We have many events coming up at the Memorial Presbyterian church, so mark your calendars.

Please note: On the first Sunday of every month we celebrate communion and have a Sunday School for children.

The Women's Missionary Society will be celebrating their 110th anniversary in 2024. We had a very active group here in Rocky. These were the ladies who were responsible for getting the first hospital in Rocky and for many projects in the church and supported missionary work around the world. They want to plan a gathering in Toronto. If you, or someone you know, may be interested in participating please let Lisbeth Duncan at Varsity Acres Presbyterian Church in Calgary know by Feb. 18th. Numbers are important before plans are finalized. Click [HERE](#) to visit their webpage.
