

GERALD (GERRY) KENT

The PCC supports Gerald Kent appointed as Funding Manager with the United Mission to Nepal (UMN), a faith-based international NGO that strives to help all Nepalis achieve a fuller life through medical and community development programs.

Serving the People of Nepal

Stationed in Kathmandu, Gerry works with the Funding Management Team Leader to attract the funding required to enable UMN and UMN Medical and Development Trust (MDT) to fulfil its objectives, by contributing to all aspects of funding activities, which includes suggesting and implementing new and existing funding strategies.

Gerry's other responsibilities include cultivating and stewarding relationships with existing and prospective donors and collaborating closely with internal stakeholders to align fundraising efforts with organizational priorities and goals.

Gerry, a lawyer by profession, sees how his love for the people of Nepal and his legal training come together, "My legal skills might be helpful in the Funding Manager position as I would essentially be advocating for the poorest of the poor in Nepal, since that's the focus of UMN's work."

Gerry is joined by his spouse, Lorna.
